

QUALITY POLICY STATEMENT

“We at VersaTech Automation FZE are committed to serve the industry by providing best products and services for the petroleum and energy sector at a competitive price, bearing in mind stated & implied needs of our customer’s.”

“We at VersaTech Automation FZE are committed to satisfy applicable requirements.”

“Our goal is to exceed customer expectations through customer focus and continual improvement by effective implementation of quality management system and control on all internal processes in compliance with API Spec Q1 & ISO 9001: 2015.”

To meet the Quality Policy, we shall establish and track pertinent Quality Objectives at relevant functions and levels for optimizing the use of our resources and ensuring customer requirements/ satisfaction are met.

The Director of VersaTech has formulated this policy. The policy is explained and discussed at the Company Orientation Training given to all employees. The policy is also posted in conspicuous locations throughout the company. All employees are expected to be familiar with, understand, and comply with the procedures of the Quality Management System that are relevant to their jobs and responsibilities within the company. The Quality Policy and Quality Objectives shall be subjected to periodic management reviews to ensure continuing suitability and improvement. They shall be communicated to and understood by all functions and levels in the Company.
